Explanation of Responses:

1. Restricted stock units vest ratably over three years. These securities automatically convert into an equal number of shares of the Company's common stock on the vesting date.
2. As this award automatically converts upon the vesting date, there is no expiration date for this derivative security.
3. Represents the target number of Performance Stock Units. The actual number of shares to be issued, which could range from 0 to 175 percent of the initial target amount, will depend upon, among other things, the issuer's financial performance during the relevant performance period compared to that of a selected peer group. The shares, if any, will be issued 36 months from the grant date.
