Corporate Governance Guidelines

The Heidrick & Struggles International, Inc. (the “Company”) Board of Directors (the “Board”) and management believe that the Company, in the interests of its stakeholders, should embrace corporate governance practices in keeping with our leadership position in our business and current legislation and rules. The Company’s policies of corporate governance must be rooted in and consistent with its business process.

Process

The Nominating and Board Governance Committee (“NGC”) has been empowered by its charter to develop, review and assess the Corporate Governance Guidelines (the “Guidelines”) that govern the practices of the Company’s Board. The NGC reports its findings and recommendations to the Board for action.

Practices

The Board of Directors has adopted these Guidelines to assist it in the exercise of its responsibilities:

- Director Qualifications. The Chair of the Board and the Chair of the NGC shall jointly extend invitations to new nominees to the Board. The criteria to be used by the NGC for considering potential candidates for election to the Board are attached hereto as Exhibit A.
- Board Independence. A majority of the members of the Board of the Company shall qualify as independent directors in accordance with the applicable provisions of the Securities Exchange Act of 1934 (the “Exchange Act”), the rules promulgated thereunder and the applicable rules of The NASDAQ Stock Market, Inc. (“NASDAQ”). The Board may establish such additional director independence guidelines as it may deem necessary and/or desirable from time to time.
- Other Board Memberships/Limits on Directorships. Directors shall advise the Chair of the Board and the Chair of the NGC in advance (to the extent possible) and promptly upon accepting any other public company directorship or any assignment to the audit committee or compensation committee of the board of directors of any public company. In addition, Directors shall notify other companies for which they serve as a director, of their membership on the Company’s Board. No Director shall be permitted to serve on more than a total of four public company boards of directors (including the

Board but not including boards of subsidiary entities). No executive officer of the Company may serve on the compensation committee of any board of directors of a company if an executive officer of that company is serving on the Board.

- Resignation for Majority Withheld Vote. In an uncontested election of Directors (i.e. an election in which the only nominees are those recommended by the Board), any nominee for Director who receives a greater number of votes “withheld” from his/her election than votes “for” his/her election (a “Majority Withheld Vote”) will tender his/her resignation to the Chair of the NGC following certification of the stockholder vote. The NGC shall consider the tendered resignation and shall recommend to the Board whether to accept or reject the tendered resignation no later than 60 days following the date of the stockholders’ meeting at which the election occurred (the “Stockholders’ Meeting Date”). In considering whether to accept or reject the tendered resignation, the NGC shall consider factors deemed relevant by the NGC, including, without limitation:
 - The Director’s length of service;
 - The Director’s particular qualifications and contributions to the Company;
 - The reasons underlying the Majority Withheld Vote (if known) and whether any of these reasons can be rectified; and
 - Compliance with applicable listing standards and the Guidelines.

The Board shall act on the NGC’s recommendation no later than 120 days following the Stockholders’ Meeting Date. In considering the NGC’s recommendation, the Board shall consider those factors considered by the NGC and such additional information and factors that the Board believes to be relevant. The Company shall publicly disclose the Board’s decision whether to accept the resignation as tendered (providing an explanation of the process by which the decision was reached and, if applicable, the reasons for rejecting the tendered resignation) in a Current Report on Form 8-K filed with the Securities and Exchange Commission (the “SEC”). Any Director who tenders his or her resignation pursuant to this provision shall not participate in the NGC deliberations or Board consideration regarding whether to accept or reject the tendered resignation. If a majority of the members of the NGC receive a Majority Withheld Vote at the same election, then the independent Directors who did not receive a Majority Withheld Vote (or who were not standing for election) shall form a special Board committee solely for the purpose of considering the tendered resignation(s) and shall recommend to the Board whether to accept or reject them.

- Changes in Professional Status. When a Director's principal occupation or business association changes significantly (including, without limitation, the Chief Executive Officer, and any other officer of the Company who is a Director, ceasing to continue in

such position) during his or her tenure as a Director, that Director shall promptly tender his or her resignation to the Secretary or Assistant Secretary of the Company, for consideration by the NGC. The NGC shall recommend to the Board the action to be taken with respect to the resignation.

- Conflicts. Conflicts of interest shall be promptly disclosed pursuant to the Company's Policy on Resolution of Conflicts of Interest for Directors and Executive Officers.
- Committee Structure. The Board shall at all times maintain the NGC, the Audit & Finance Committee (the "AFC") and the Human Resources and Compensation Committee (the "HRCC"), which shall operate in accordance with applicable law, their respective charters as adopted and amended from time to time by the Board, and the applicable rules of the SEC and NASDAQ. The Board may also establish such other committees as it deems appropriate and delegate to such committees such authority permitted by applicable law and the Company's Amended and Restated By-laws as the Board sees fit. Each committee shall have a written charter.

The HRCC shall meet at least four times per year.

The AFC shall monitor (a) the integrity of the financial statements of the Company, (b) the independent public auditor's qualifications and independence, and (c) the performance of the Company's internal audit function and independent auditors, including the adequacy and effectiveness of the Company's internal controls. The AFC shall review and approve the report required by the rules of the SEC to be included in the Company's annual meeting proxy statement. The AFC shall meet at least four times per year.

- Committee Independence. The AFC, HRCC, and the NGC shall be comprised entirely of independent directors. All committee members shall meet the independence and other requirements of the applicable committee charter, applicable provisions of the Exchange Act and NASDAQ listing requirements.

The Lead Director shall be elected to the position of Lead Director by the majority vote of the independent directors upon the recommendation of the NGC.
- Board Meeting Agendas and Materials. The agenda items to be considered by the Board at each of its meetings shall be included in the Board materials, distributed in advance to Directors. The Chair of the Board establishes the agenda items for each Board meeting. Each Director is free to suggest the inclusion of items on the agenda. Information and data that is important to the Board's understanding of the business to be discussed at meetings will be distributed in advance of meetings to the extent practicable.
- Executive Session. The Board shall schedule regular executive sessions at which independent Directors meet without management participation. Significant matters discussed shall be communicated to management as determined appropriate by the members of the Board attending the meeting. The Chair of the Board, if independent, or Lead Director may call special executive sessions of the Board.
- Director Attendance at Annual Meetings Policy. The Company will make every effort to schedule its annual meeting of stockholders at a time and date to maximize attendance by Directors taking into account the Directors' schedules. The Board or the Company shall establish, or identify and provide access to, appropriate orientation programs, sessions or materials for newly elected Directors of the Company for their benefit either prior to or within a reasonable period of time after their nomination or election as a Director. The Board believes that director orientation and continuing education is essential to valuable Board participation and decision making. In addition, portions of certain Board meetings will be devoted to educational topics at which senior management and outside subject matter experts present information regarding matters such as the Company's industry, business operations, strategies, objectives, risks, opportunities, competitors and important legal and regulatory issues. - Clawback Policy. The Board has adopted and will maintain a policy providing for the reimbursement of the incremental portion of incentive awards (cash or equity) given to executive officers for performance periods during the three fiscal years preceding the date that a restatement of financial statements is filed with the SEC if such restatement would have resulted in a lower incentive award amount. The policy also provides for recoupment of any incentive awards given to any incentive plan participant during the three fiscal years preceding a determination by the HRCC that such participant has engaged in fraud, bribery, or other intentional, illegal misconduct impacting the Company or results in a breach of the Code of Ethics, or knowingly failed to report such acts of any employee over whom such person had direct supervisory responsibility.
